FOUR ROSES - SINGLE BARREL

It began when Paul Jones, Jr., founder of Four Roses, became smitten by the beauty of a Southern belle. It is said that he sent a proposal to her, and she replied that if her answer were "Yes," she would wear a corsage of roses on her gown to the upcoming grand ball. He later named his Bourbon "Four Roses" as a symbol of his devout passion for the lovely belle.

NIKKA TAKETSURU - PURE MALT

Recognized as the father of Japanese Whisky, Masataka Taketsuru, founder of Nikka Whisky, shaped the history of Japanese Whisky, with the long support of his Scottish wife Rita. The two met when Taketsuru was studying in Scotland. They immediately fell in love and against the will of their parents, married a year later.

GLENMORANGIE 10 YR - THE ORIGINAL

Under soft moonlight, our mermaid comes ashore as a Silkie, a mythological Seal figure at the secluded Silver Strand, on the Donegal Coast. Gently shedding her seal coat, she reveals her human form – a beautiful dark-haired maiden with deep, soulful eyes. Dancing along the sand, reveling in the freedom she enjoys in both worlds, she is unaware of a young fisherman captivated by her beauty. She turns, their eyes meet and their love is set at first gaze. Our Silkie makes her home with her fisherman but like the waves that crash on the sand, the sea restlessly calls to her drawing her back to the depths of the deep sea.
